Dear City of Wasco Council,

On behalf of the Wasco Ag Prep Leadership Club, thank you for supporting the Annual Holiday Drive. We collected over 200 food products and clothing items. We have high hopes this number will increase in the years to come. We are grateful for the support you have given us. We truly could not have done this drive without you. We hope to provide more opportunities for Wasco and the community. As this is the last semester the current Ag Prep Leadership Team will be leading the club, we hope that the future team can have the same support that you have given us. We are truly thankful for the support that you have given us in the past and the support we will get in the future. Our goal at the APLC is to train future leaders by putting them into such roles and helping them grow to become the best leaders they can be.

Thank you,

[Wasco APLC Team]
