City Council Approval of Wasco Dial-A-Ride’s Title VI Program ............................................ 33
I. Plan Statement

Title VI of the Civil Rights Act of 1964 prohibits discrimination on the basis of race, color, or national origin in programs and activities receiving federal assistance. Specifically, Title VI provides that “no person in the United States shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under and program or activity receiving Federal financial assistance” (42 U.S.C. 2000d).

Wasco Dial-A-Ride is committed to ensuring that no person is excluded from participation in, or denied the benefits of its transit services on the basis of race, color, or national origin, as protected by Title VI in Federal Transit Administration (FTA) Circular 4702.1.A.

This plan was developed to guide Wasco Dial-A-Ride in its administration and management of Title VI–related activities.

II. Title VI Information Dissemination

Title VI information notices shall be prominently and publicly displayed in the City of Wasco’s facilities and on Dial-A-Ride vehicles (see Appendix A). The name of the Title VI Coordinator is available on the City’s website at http://www.ci.wasco.ca.us/. Additional information relating to non-discrimination obligations can be obtained from the Dial-A-Ride Title VI Coordinator.

Title VI information shall be disseminated to City of Wasco Dial-A-Ride employees annually via internal memorandum. This memo will remind employees of the City of Wasco Dial-A-Ride policy statement and of their Title VI responsibilities in their daily work and duties.

During New Employee Orientation, new employees shall be informed of the provision of Title VI and of the City of Wasco’s expectations that employees will perform their duties accordingly.

All employees shall be provided a copy of the Title VI Plan and are required to sign the Acknowledgement of Receipt (see Appendix C).

III. Subcontractors and Vendors

All subcontractors and vendors who receive payments from the City of Wasco where funding originates from any federal assistance are subject to the provisions of Title VI of the Civil Rights Act of 1964 as amended.

Written contracts shall contain non-discrimination language, either directly or through the bid specification package which becomes an associated component of the contract.

IV. Title VI Equity Analysis

The City of Wasco has not undertaken construction of any facilities, such as a vehicle storage facility, maintenance facility, or operation center and therefore did not conduct an equity analysis. In event that the City plans and constructs facilities related to its transit program, an equity analysis shall be conducted.

V. Record Keeping

The Title VI Coordinator will maintain permanent records, which include, but are not limited to, signed acknowledgements of receipt from the employees indicating the receipt of the Title VI Plan, copies of Title VI complaints or lawsuits and related documentation (see Appendix L), tracking of minority representation on City committees and councils (see Appendix N), and records of correspondence to and from complainants, and Title VI investigations.
VI. Title VI Complaint Procedures - English

A complainant may file a signed, written complaint up to one hundred and eighty (180) days from the date of the alleged discrimination. The complaint should include the following information:

- Contact information including name, mailing address, telephone number, cell phone number, and email address
- Description of the incident including how, when, where, and why the complainant believes he or she was discriminated against
- Names and contact information for all witnesses
- Other relevant information

A complainant may use the Complaint Form in Appendix D for this purpose.

Title VI complaints are to be submitted in writing to the Title VI Coordinator at the following address:

Mr. J. Paul Paris, City Manager
City of Wasco Dial-A-Ride
746 8th Street
Wasco, CA 93280

It is the responsibility of the complainant to certify all mail sent through the US Postal Service and/or ensure that all written correspondence can be tracked. For complaints originally submitted by facsimile, an original, signed copy of the complaint must be mailed to the Title VI Coordinator as soon as possible, but no later than 180 days from the alleged date of discrimination.

All complaints alleging discrimination based on race, color, or national origin in a service or benefit profited by the City of Wasco will be directly addressed by the City of Wasco. The City shall provide appropriate assistance to complainants, including those persons with disabilities or who are limited in their ability to communicate in English. Additionally, the City of Wasco shall make every effort to address all complaints in an expeditious and thorough manner.

The City of Wasco will, within seven (7) working days of receipt of a complaint, mail a letter to the address provided by the complainant, which letter will acknowledge receipt of the complaint (see Appendix D). In the event the City of Wasco requests additional information from a complainant and the complainant fails to provide the requested information, the City of Wasco shall reserve the right to administratively close the complaint.

All complaints will be thoroughly investigated. The investigation will be conducted in a full, fair, and impartial manner by the Title VI Coordinator. Every effort will be made to respond to Title VI complaints within sixty (60) working days of receipt of such complaints. Complaints will be
determined to be substantiated, not substantiated, or inconclusive (see Appendices E and F). Once sufficient information for investigating the complaint is received by the City of Wasco, a written response will be drafted subject to review by the City Attorney. If appropriate, the City Attorney may administratively close the complaint. In this case, the City of Wasco will notify the complainant of the action as soon as possible.

Following the investigation, the City of Wasco will send a final written response letter to the complainant identifying the final determination. In the letter notifying the complainant of the City’s determination, the complainant will be advised of his or her right to:

1. Appeal within seven (7) calendar days of receipt of the final written decision from the City of Wasco; and/or

VIII. Limited English Proficiency (LEP) Plan

The City of Wasco has developed this Limited English Proficiency (LEP) Plan to help identify reasonable steps to provide language assistance for LEP persons seeking meaningful access to City of Wasco Dial-A-Ride transit services as required by Executive Order 13166 (see Appendix O). A Limited English Proficiency person is one who does not speak English as their primary language and who has a limited ability to read, speak, write, or understand English.

This plan details procedures on how to identify a person who may need language assistance, the ways in which assistance may be provided, training staff, how to notify LEP persons that assistance is available, and information for future plan updates. In developing the plan, the City of Wasco Dial-A-Ride undertook a US Department of Transportation four-factor LEP analysis that considered the following:

1. The number or proportion of LEP persons in the service area who may be served by or are likely to require Wasco Dial-A-Ride services.
2. The frequency with which LEP persons come in contact with Wasco Dial-A-Ride services.
3. The nature and importance of services provided by Wasco Dial-A-Ride to the LEP population.
4. The resources available to Wasco Dial-A-Ride and the overall cost to provide LEP assistance.

See Appendix O for a copy of the LEP Plan.

IX. Community Outreach

As an agency that may from time to time receive federal financial assistance, the City has made or will be making the following community outreach efforts to engage the public in planning and decision-making processes, as well as its marketing and outreach activities:

- The public will be invited to participate in the process, whether through public meetings or surveys.
- When a change to an existing service or addition of new service is proposed, the City of Wasco may convene a public meeting to discuss feasibility and to welcome suggestions.

Public Participation Plan

Guidelines for Changes to Transit Services and Increases in Fares

**A major change in service includes:**
- Reduction in total system vehicle hours of 10% or more.
- Elimination of service in an area with population of 2,000 or more.
- Elimination of service on one or more days of the week.
- Changing the type of transit service in an area with population of 2,000 or more.

**A fare increase includes:**
- Increase in single-ride fare for any transit service including other fare categories.
- Decrease in the discounts offered for fare categories.

**Process**

For any major service change or any fare increase as defined above, the City of Wasco will schedule a public hearing to present the proposed change(s) and obtain public comments. The primary source of service and fare changes will be the Wasco Dial-A-Ride Service Policies & Procedures Manual, and its approval will fulfill these requirements. The public hearing will be scheduled at a time and place accessible and convenient for the general public to attend (see Figure 1 for an example). Legal notice of the public hearing will be published in a local newspaper of general distribution at least thirty (30) calendar days prior to the public hearing. Additional notices will be placed on transit vehicles and on the City’s website ([http://www.ci.wasco.ca.us/residents/transportation/dial-a-ride](http://www.ci.wasco.ca.us/residents/transportation/dial-a-ride)). Notices will be provided in English and Spanish. Interpretation services will be available for the public hearing.

A staff person will record and prepare formal minutes of the public hearing. In addition, written or verbal comments will be accepted for at least one week following the public hearing.

Comments will be evaluated and incorporated into the recommendation and decision regarding the fare increase or service change.

Legal notices and press releases and/or advertising of the pending changes will be published in a local newspaper of general distribution at least thirty (30) calendar days prior to implementation of the fare increase or service change.

**Summary of Outreach Efforts Made Since Last Title VI Plan Submission**

Outreach efforts by the City included:
- Conducted public hearings and meetings on the development of the 2040 City of Wasco General Plan Update which includes a component on public transit.

- Conduct annual unmet needs processes as required by state statute to conduct a formal hearing process that solicits information about transit needs. This allows the City in partnership with the Kern Council of Governments to make a determination as to whether these are unmet transit needs and whether these are transit needs that can be reasonably met. The most recent unmet transit needs hearing was held February 21, 2017. (Figure 1)

**Outreach Methods to Engage Minority and Limited English Proficient Populations**

Currently, Spanish is the only quantifiable population within the City of Wasco Dial-A-Ride service area that is limited English proficient. The City will continue assessing the language needs of citizens in its service area through its Language Assistance Plan. At such time, as another group with limited English proficiency reaches significant mass, the City will review this plan and its strategies to engaging with non-English speaking populations. Below are the methods that the City are currently using:

- Notices are translated to Spanish and posted alongside English notices at the administration offices, onboard buses, and online.

- Event information on City’s website is posted in English and Spanish.

- The City distributes event information to community groups and agencies that work with LEP populations, if such contacts exist.

- As identified in its Language Assistance Plan, the City has full time staff to provide language assistance for customers and callers that are Spanish speaking.

- Spanish interpretation or translation is provided at any public meetings or workshop.

Language Assistance Plan

SECTION 1

Introduction

This Language Assistance Plan has been prepared to address Wasco Dial-A-Ride’s responsibilities as a recipient of federal financial assistance as they relate to the needs of individuals with limited English proficiency language skills. The plan has been prepared in accordance with Title VI of the Civil Rights Act of 1964, 42 U.S.C. 2000d, et seq., and its implementing regulations, which state that no person shall be subjected to discrimination on the basis of race, color, or national origin.

Executive Order 13166, titled Improving Access to Services for Persons with Limited English Proficiency, indicates that differing treatment based upon a person’s inability to speak, read, write, or understand English is a type of national origin discrimination. It directs each agency to publish guidance for its respective recipients clarifying their obligation to ensure that such discrimination does not take place. This order applies to all state and local agencies that receive federal funds, including Wasco Dial-A-Ride.

Plan Summary

The City of Wasco Dial-A-Ride has developed this Language Assistance Plan to help identify reasonable steps for providing language assistance to persons with limited English proficiency (LEP) who wish to access services provided. As defined in Executive Order 13166, LEP persons are those who do not speak English as their primary language and have limited ability to read, speak, write, or understand English. This plan outlines how to identify a person who may need language assistance, the ways in which assistance may be provided, staff training that may be required, and how to notify LEP persons that assistance is available.

In order to prepare this plan, Wasco Dial-A-Ride used the four-factor LEP analysis, which considers the following factors:

1. The number or proportion of LEP persons in the service area who may be served by or are likely to require Wasco Dial-A-Ride services.
2. The frequency with which LEP persons come in contact with Wasco Dial-A-Ride services.
3. The nature and importance of services provided by Wasco Dial-A-Ride to the LEP population.
4. The resources available to Wasco Dial-A-Ride and the overall cost to provide LEP assistance.

The following section summarizes the results of the four-factor analysis.
SECTION 2

Meaningful Access: Four-Factor Analysis

1. The number or proportion of LEP persons in the service area who may be served by or are likely to require Wasco Dial-A-Ride services.

In order to understand the proportion of LEP persons eligible to be served or likely to be encountered by Wasco Dial-A-Ride staff, the City reviewed the 2011–2015 American Community Survey 5-Year Estimates: Language Spoken at Home and the 2010 US Census. Based on the 2010 US Census, Wasco’s population was 25,545, which grew 20.1 percent since the 2000 US Census. The 2017 population for Wasco is estimated to be 26,980 as reported by the California Department of Finance. The city covers a 9.43-square-mile area.

According to the 2011–2015 American Community Survey 5-Year Estimates, about 71 percent of Wasco residents aged 5 and older speak a language other than English, and nearly 30 percent speak English less than “very well.” Spanish is spoken by nearly 70 percent of Wasco residents aged 5 and older, and about 48 percent speak English less than “very well.” A summary of the language data is presented in the following table.

Source: US Census Bureau, 2011–2015 American Community Survey 5-Year Estimates

2. The frequency with which LEP persons come in contact with Wasco Dial-A-Ride services.

Wasco Dial-A-Ride staff reviewed the frequency with which office staff and bus drivers have, or could have, contact with LEP persons. The survey included documenting phone inquiries and verbally surveying drivers. Wasco Dial-A-Ride drivers, who are bilingual, have had frequent interactions with Spanish-speaking passengers.
3. The nature and importance of services provided by Wasco Dial-A-Ride to the LEP population.

Wasco Dial-A-Ride places a high priority on providing safe, convenient, and reliable service. Service is monitored regularly to allow staff to evaluate Dial-A-Ride performance and to determine the need for service expansion or contraction based on ridership demand and effectiveness. There is a large geographic concentration of LEP individuals in the service area for Wasco Dial-A-Ride. The overwhelming majority of the population, nearly 70 percent, speaks Spanish.

4. The resources available to Wasco Dial-A-Ride and the overall cost to provide LEP assistance.

Wasco Dial-A-Ride assessed its available resources that are currently being used and those that could be used to provide language assistance. Notwithstanding the size and scope of the public transit services provided and limited staffing resources, Wasco Dial-A-Ride provides a reasonable degree of services for LEP persons upon request.

Wasco Dial-A-Ride will continue its efforts to collaborate with other local, regional, and state agencies to provide language translation and interpretation services when practical and in consideration of available funding.

SECTION 3

Language Assistance

A person who does not speak English as their primary language and who has a limited ability to read, write, speak, or understand English may be a person with limited English proficiency and may be entitled to language assistance with respect to Wasco Dial-A-Ride services. Language assistance can include interpretation, which means oral or spoken transfer of a message from one language into another language, and/or translation, which means the written transfer of a message from one language into another language.

How Wasco Dial-A-Ride staff may identify an LEP person who needs language assistance:

- Staff will post notice of the LEP Plan and the availability of interpretation or translation services free of charge in languages LEP persons would understand.
- All Wasco Dial-A-Ride staff will be provided with “I Speak” cards to assist in identifying the language interpretation needed if the occasion arises.
- The Google Translate online translation tool will be available on the City of Wasco website.
- All Wasco Dial-A-Ride staff will be informally surveyed periodically on their experiences concerning any contacts with LEP persons during the previous year.
• When Wasco Dial-A-Ride sponsors an informational meeting or event, an advance public notice of the event should be published including special needs related to offering a translator (LEP) or interpreter (sign language for hearing-impaired individuals). Additionally, a staff person may greet participants as they arrive. By informally engaging participants in conversation, it is possible to gauge each attendee’s ability to speak and understand English. Although translation may not be able to be provided at the event, it will help identify the need for future events.
• When an interpreter is needed, in person or on the telephone, and Wasco Dial-A-Ride staff has exhausted the above options, staff will first attempt to determine what language is required. Staff will use the telephone interpreter service—Language Line Services [http://www.languageline.com/](http://www.languageline.com/) or the relay services provided by MCI and Sprint.

SECTION 4

Staff Training

The City of Wasco does not have a formal training program. Bilingual fluency in English and Spanish is a desirable requirement for transit bus drivers. However, all City of Wasco staff involved in the administration and operation of Wasco Dial-A-Ride have been provided with the LEP Plan and educated on the following procedures. This information is part of the staff orientation process for new hires. The following information will be provided to all staff:

• Information on the Title VI Policy and LEP responsibilities
• Description of the language assistance services the City of Wasco offers to the public
• Use of “I Speak” cards
• How to access the Google Translate online translation tool via the City of Wasco website
• Documentation of language assistance requests
• How to handle a Title VI and/or LEP complaint

SECTION 5

Translation of Documents and Safe Harbor Provision

The City of Wasco website ([http://www.ci.wasco.ca.us/residents/transportation/dial-a-ride/](http://www.ci.wasco.ca.us/residents/transportation/dial-a-ride/)) has a Google Translate application embedded in the upper right-hand corner of the page which can translate content into Spanish. In addition, for further LEP outreach, Wasco Dial-A-Ride will consider the following options:

• When staff prepares a document or schedules a meeting for which the target audience is expected to include LEP individuals, then documents, meeting notices, flyers, and agendas will be printed in Spanish or any other alternative language based on the known LEP population.
• When running a general public meeting notice, staff will state that a translator will be available in Spanish or in another language as determined to be necessary. The included
clause will be similar to: “A (insert alternative language) translator will be available.” For example: “Un traductor del idioma español estará disponible” or “A Spanish translator will be available.”

- In addition to the existing Spanish language translations of key print materials, Wasco Dial-A-Ride will translate brochures and notices in languages otherwise determined to be necessary, and will make these available at the Wasco City offices, the Wasco Amtrak Depot, and on board vehicles.

SECTION 6

Monitoring and Updating the LEP

Wasco Dial-A-Ride will update the LEP Plan as required. At a minimum, the plan will be updated according to the Title VI Program update schedule of submission every three years.

Each update of the LEP Plan will include the following:

- The number of documented LEP person contacts encountered annually
- How the needs of LEP person have been addressed
- Determination of the current LEP population in the service area
- Determination as to whether the need for translation services has changed
- Determination as to whether local language assistance programs have been effective and sufficient to meet the need
- Determination of whether Wasco Dial-A-Ride’s financial resources are sufficient to fund language assistance resources needed
- Determination as to whether Wasco Dial-A-Ride fully complies with the goals of this LEP Plan
- Determination of whether complaints have been received concerning the agency’s failure to meet the needs of LEP individuals
- Maintenance of a Title VI complaint log, including LEP, to determine issues and the basis of complaints

SECTION 7

Dissemination of the Wasco Dial-A-Ride LEP Plan

Wasco Dial-A-Ride will include the LEP Plan along with the Title VI Program on the City of Wasco website (http://www.ci.wasco.ca.us/residents/transportation/dial-a-ride/). Any person, including social service, nonprofit, and law enforcement agencies and other community partners with internet access, will be able to access the plan. Copies of the LEP Plan will be provided, on request, to any person(s) requesting the document in person, by mail, or by email. LEP persons may obtain copies/translations of the plan upon request.
Any questions regarding this LEP Plan should be directed to the Wasco Dial-A-Ride Title VI Coordinator:

Safe Harbor Provision

The Federal Transit Authority Circular 4702.1B states:

"DOT has adopted DOJ’s Safe Harbor Provision, which outlines circumstances that can provide a “safe harbor” for recipients regarding translation of written materials for LEP populations. The Safe Harbor Provision stipulates that, if a recipient provides written translation of vital documents for each eligible LEP language group that constitutes five percent (5%) or 1,000 persons, whichever is less, of the total population of persons eligible to be served or likely to be affected or encountered, then such action will be considered strong evidence of compliance with the recipient’s written translation obligations. Translation of non-vital documents, if needed, can be provided orally. If there are fewer than 50 persons in a language group that reaches the five percent (5%) trigger, the recipient is not required to translate vital written materials but should provide written notice in the primary language of the LEP language group of the right to receive competent oral interpretation of those written materials, free of cost. These safe harbor provisions apply to the translation of written documents only. They do not affect the requirement to provide meaningful access to LEP individuals through competent oral interpreters where oral language services are needed and are reasonable. A recipient may determine, based on the Four Factor Analysis, that even though a language group meets the threshold specified by the Safe Harbor Provision, written translation may not be an effective means to provide language assistance measures. For example, a recipient may determine that a large number of persons in that language group have low literacy skills in their native language and therefore require oral interpretation. In such cases, background documentation regarding the determination shall be provided to FTA in the Title VI Program."

As demonstrated in the table found in Section 2, Spanish is the only language that falls outside of the Safe Harbor Provision of over 5% or 1,000 individuals (whichever is less). The City currently provides the following documents in English and Spanish:

- Title VI Notice to the Public, Complaint Procedures, and Complaint Form
- Transit information in print and on website
- Public notices related to unmet transit needs hearings, service changes and projects
